

CP&R Concrete Protection & Restoration saving the life of concrete®

Don F. Caple

President

Don F. Caple has been involved in the concrete construction and repair industry for over 42 years and is currently the President of and partner in Concrete Protection & Restoration, (CP&R) located in the Baltimore/Washington area.

Locally, Don is a member of the Baltimore/Washington Chapter of the International Concrete Repair Institute (ICRI) and has served as their President, Vice President, Secretary, and as a Board Member for several years.

Don has been an active member of the ICRI for over 24 years and has served on numerous committees during that time. The ICRI recognized his contributions by designating him an ICRI Fellow in 2011. In addition to the ICRI, Don has been a member of numerous other organizations associated with the building industry over the past 42 years, which includes the Post-Tensioning Institute, American Builders and Contractors Association, Steel Structures Painting Council, and the American Concrete Institute to name just a few.

During his 42 year career in the construction industry, Don has not only worked in the trenches alongside his co-workers, but has also trained numerous associates in the industry. Don is a leader in the concrete industry and has been an asset to all his constituents who have been fortunate enough to work with him.
