

CP&R Concrete Protection & Restoration saving the life of concrete®

Kevin McDonald

General Superintendent

Kevin McDonald has over 25 years of experience in the construction field. His experience ranges from both, new and restoration of high-rise, parking structures, and bridges. Throughout his career in the concrete repair industry, Kevin has moved from the rank of Leadman to General Superintendent.

Kevin started his tenure at Concrete Protection & Restoration, (CP&R) in 2010. He is responsible for all aspects of grouting restoration and for making sure that equipment and supplies are at the job site when needed. He is also responsible for training of personnel, safety enforcement, and project quality control. Kevin holds a number of certifications which include post-tension repair, carbon fiber repair, welder, and ASBI grouting repair.

Concrete Protection & Restoration.
