

# **CP&R** Concrete Protection & Restoration saving the life of concrete®

## **Michael K. O'Malley**

### ***Vice President***

**W**ith a Masters of Business Administration from University of Baltimore, Merrick School of Business along with a Bachelor of Science Degree in Mechanical Engineering from University of Maryland at College Park, Michael K. O'Malley co-founded Concrete Protection & Restoration, (CP&R) back in 1996, bringing over 25 years of experience in the Concrete Restoration Industry.

As the co-founder of CP&R, Mr. O'Malley has been instrumental with his personal attention to detail and oversight of the marketing/estimating components of the company. This includes, and is not limited to structural condition surveys, repair recommendations, as well as designing and modifying repair techniques to meet particular demands and constraints to allow the company to grow and become a leader in the industry.

Mr. O'Malley holds a host of contractor certifications from surrounding states and has a number of active business affiliations with several nationally recognized organizations such as:

- International Concrete Repair Institute (ICRI) - Board of Directors
- American Society of Mechanical Engineers (ASME)
- Post Tension Institute (PTI)
- American Concrete Institute (ACI)
- American Builders and Contractors Association (ABC)
- Steel Structures Painting Council (SSPC)
