

CP&R Concrete Protection & Restoration saving the life of concrete®

Steven R. Royer

Estimating Manager

Steve Royer has been in the Facade Restoration, Concrete Restoration, Waterproofing and Industrial Repair business for over 30 years. He started in the restoration business in 1982 and has joined Concrete Protection & Restoration, (CP&R) back in 2007 where he has been involved with Operations, Estimating, and Special Projects.

In 1992, Steve was the President of the International Concrete Repair Institute (ICRI). He was one of the “Founding Members” that attended the organizational meeting in Naperville Illinois, where he was appointed to the Board of Directors, in which he served for eight years. He was chair of the ad hoc committee that wrote the original By-Laws of the International Association of Concrete Repair Specialist (IACRS), as it was known at that time. Steve is also a member of the “Fellows” Committee and the ICRI Masonry Committee and was a contributing author for the “Guide for the Evaluation of Masonry Façade Structures” and the “Guideline for Repair of Masonry Façade Structures”.

Steve lives in Glen Rock, Pennsylvania with his wife Karen. They have been married for 40 years.
