

Vincent C. Glorioso

Operations Manager-Florida

As the Operations Manager for Concrete Protection & Restoration's Florida office, Vincent C. Glorioso (Chris) brings more than 30 years of experience to the structural repair industry. Chris' hard work and dedication has allowed him to become specialized in all aspects of concrete repair including conventional demolition, hydro demolition, post tension cable as well as hot rubberized asphalt, urethane coating, and various expansion joint systems.

Chris effectively manages all aspects of our Florida Operations including field and project management personnel. He is in charge of developing budgets, creating schedules, evaluating production rates and tracking the overall progress of the South Florida branch. He is developing relationships with our Florida clients and Engineers. His dedication to completing high quality projects on time and within budget have led him to receive numerous appraisal letters from engineers and owners as well as an Award of Merit from the International Parking Institute for the Pratt Street Garage Renovation.

Chris holds a number of certifications for coatings, sealants, and epoxy flooring. He is also an active member in the International Concrete Repair Institute (ICRI). He has completed the OSHA 30 hr. Suspended Access training as well as the Trench Construction and Safety Awareness training.
