

CP&R Concrete Protection & Restoration saving the life of concrete®

Brian McCabe

Director of Business Development

As the Director of Business Development, Brian McCabe brings to Concrete Protection & Restoration (CP&R) over 30 years of experience in the construction and restoration industry. Progressing from his roots on the Eastern Shore of Maryland to achieving his Bachelor of Science Degree in Civil Engineering from the University of Maryland in 1987, he has been involved in a wide array of projects ranging from general construction to specialty, high profile restoration projects in the Mid-Atlantic and Northeast areas.

Since his employment at CP&R in 1996, Brian has served as a Project Manager, Estimator, and Chief Estimator. Brian currently oversees the Estimating Department and he is responsible for developing and maintaining client relationships, managing bid schedules, reviewing outgoing bids and negotiating contracts. Brian is currently serving on the National Board of Directors in the International Concrete Repair Institute (ICRI). As an active participant in the ICRI, Brian has also served as a board member and President at the Baltimore Washington chapter.
